

The Essential Role of Technology in Population Health

Be sure to mark your calendars to attend the DV/NJHIMSS Annual Event on October 19th - 21st, 2016 at Harrah's Resort Hotel and Casino, Atlantic City, NJ. Hear dynamic keynote speakers and attend a packed agenda of educational sessions where presenters provide insight into the latest trends in how technology enables Population Health. Network with hundreds of your local colleagues and meet with area vendors whose products are helping shape the future of Population Health.

To begin planning your schedule, here is a preview of a few key highlights we've lined up for this year's exciting event:

- ◆ Kick-off the event Wednesday morning with our annual golf outing at the Seaview Golf Resort, a fantastic opportunity to network with colleagues and enjoy one of the best courses in the tri-state area.
- ◆ Advance your skills and professional certification through a CPHIMS review course offered on Wednesday, Oct 19th, 9:30am – 4:30pm.
- ◆ Summer may be over, but not the opportunity to continue great conversation with your colleagues at an unforgettable event at The Pool at Harrah's Resort and Casino. This indoor tropical paradise under a 90-foot glass dome, will be the venue for our Wednesday night opening reception of great food, beverages and networking.
- ◆ Begin your Thursday with breakfast, followed by three exceptional keynote speakers, well renowned in broadcasting and the healthcare industry.
- ◆ Select from a variety of exceptional educational sessions offered all day Thursday, with 6 educational breakout tracks consisting of 24 sessions that you won't want to miss.
- ◆ Visit with over 90 of our sponsor's booths to enjoy demonstrations and get a better understanding of the solutions offered to help solve your healthcare needs in support of population health.
- ◆ Convenient, high-end restaurants and shopping located right at Harrah's Resort

Don't forget to register and we hope to see you in Atlantic City!
